

# Certificate of Compliance

## Payment Card Industry Data Security Standard

This is to certify that Infusion Software has been assessed by SecurityMetrics, Inc. and were found to be compliant against the PCI Data Security Standards version 1.2, endorsed by Visa, MasterCard, American Express, and other leading card brands.

### Infusion Software

Valid until: July 31, 2012

Last Clean Scan: April 3, 2011

#### Conditions of issuing:

1. SecurityMetrics, Inc. has issued this certificate to indicate that the aforementioned company has been assessed against the requirements of the Payment Card Industry Data Security Standards' (PCI DSS) validation methods and were found to be compliant to PCI DSS version 1.2 on the date of issue only, no other guarantees are given.
2. This certificate is subject to compliance conditions as laid out within the PCI DSS standards, any queries, please contact SecurityMetrics 801-724-9600 or audits@securitymetrics.com. The certificate is valid until the last day of the month, one year from the day of Report on Compliance issuance.
3. The certificate offers no guarantee or warranty to any third party that the company is invulnerable to attack or breaches in its security, and SecurityMetrics accordingly accepts no liability to any third party in the event of loss or damage of any description caused by any failure in or breach of customer's security.
